1) An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Non-elected claims 1-5, are cancelled.

2) The following is an examiner's statement of reasons for allowance:

The primary reason for allowance is that the cited prior art does not show an apparatus which is a tube through which a first flow is flowing, said tube having form parts on the inner periphery of the tube and openings through which a second flow enters the tube which is defined as a mixing zone, wherein the form parts have control surfaces extending a distance from the inner periphery of the tube towards the middle of the tube, and the form parts extend a circumferential distance that is less than the entire circumference of the inner periphery of the tube (claims 6, 13, 17).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3) Any inquiry concerning this communication or earlier communications from the examiner should be directed to Mark Halpern whose telephone no. is 571-272-1190.
